

On the morning of December 12th, 2006, the U.S. government raided six Swift & Company production facilities and detained 1,282 employees.

## SWIFT'S VIOLATION?

Being among the few employers in the **BASIC PILOT** program

**Immigration raid leaves Texas town a skeleton**

Mandating all U.S. employers use **BASIC PILOT** won't work.  
We need a verification system that will!
